## **September 2009**

### **PRESIDENT'S MESSAGE**

Thanks to everyone that helped with our workday last Saturday August 22<sup>nd</sup>.

We are continuing to make progress on our covered shed for our 100 yard Pistol/Rifle range.

Our new electronic gate has arrived. We will be getting it installed and operational very soon.

We “refaced” the railroad ties in Bay #2 of our Pistol Range. These are for shooting the wooden bowling pins only! Do not staple targets to the props that hold our bowling pins. Use a metal or wooden frame to place your paper targets on. Only shoot the wooden pins with 22 rimfire. Shoot the metal pins with centerfire pistols.

Do not shoot at empty shotgun shells, bottles, cans, etc.. Only shoot paper targets or the bowling pins.

We will be nominating members for our Board and Officers for 2010 during September. If you or anyone you know would be interested in serving our club please let me know.

If you need a Safety Course contact Mark Trexler @ 272-2530

Shoot straight, shoot safe, and shoot often!

-Mark A. Trexler  
President
